

Remarks

Applicants respectfully request the deletion of Mahesh Uttamchandani as an inventor to correct the inventorship for this application.

As discussed in the response filed on December 13, 2006, Applicants also request withdrawal of the rejections based on the publication of Lesaicherre, et al.

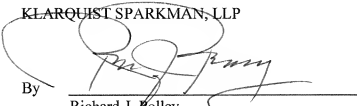

The accompanying documents establish that the Lesaicherre, et al. article describes the inventors' own work. So the Lesaicherre, et al. article does not establish that the claimed invention was known or used by others in this country or described in a printed publication in this or a foreign country before the invention thereof by the Applicants. *In re Katz*, 215 USPQ 14 (CCPA 1982), M.P.E.P. § 2132.01.

Respectfully submitted,
